Date: Jan 23, 2021

To: All Concerned

From: Chairman, Dept. of EEE

This notice is to notify all the project students (EEE 13 Day and EEE 15 Evening batch) that a proposal submission will replace the progress defense presentation.

All the students are informed to contact their supervisors as soon as possible. Considering the Covid-19 pandemic, we will not take any demo presentations. Project students are advised to submit the project proposal and a PowerPoint presentation on or before February 08, 2021.

If any student fails to meet the basic requirement and could not submit the research proposal in time, the student will be deferred for four (04) months. Deferred students need to pay extra registration fees.

N.B: Students are informed to complete the registration process as early as possible.
