

NOTICE

RefNo: PCIU/EEE: 092020
To: All Concerned
From: Chairman, Dept. of EEE

Date: Sept 30, 2020

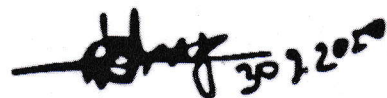

This notice is to notify all the project students (EEE 12 Day and EEE 14 Evening batch) that a proposal submission will replace the progress defense presentation.

All the students are informed to contact their supervisors as soon as possible. Considering the Covid-19 pandemic, we will not take any demo presentations. Project students are advised to submit the project proposal and a PowerPoint presentation on or before October 08, 2020. The research proposal format link is attached to this notice.

If any student fails to meet the basic requirement and could not submit the research proposal in time, the student will be deferred for four (04) months. Deferred students need to pay extra registration fees.
